Yes, we're still on for July 22. I'll continue to be your coordinator for the time being.

John

**Subject:** 2014 NRC Annual Meeting on 7/22

John,

From our call at the end of April, I just wanted to confirm that NRC will be able to meet the morning of 7/22 for our annual meeting.

Is there a coordinator that I should be working with in regards to meeting start time, and location? I don't imagine the agenda changing much from last year, but closer to the meeting, I would like to share a proposed draft agenda for comment.

Thanks,  
Richard
